

A Journey to Disgrace - Part-Two-of-Three

Kurt Steiners tale of an English gentleman who takes the fancy of a truly evil mother & daughter partnership from the Indian subcontinent continues with part-two-of-three. Told via a journal passed to Sir Arthur Conan Doyle in the last year of his life, and with an introduction by the great man himself, the fate of Denton Burnside serves as a warning to all those of you whose logic refuses to accept the presence of more... spiritual... powers. Spiritual powers that are not always good and can sometimes be possessed of women. CONTAINS EXPLICIT ADULT MATERIAL
