

Her Texas Family (Love Inspired)

Falling for the Single Dad Moving to a small Texas town, Lucy Grayson is looking to live life on her own terms. When she agrees to take a job in Doctor Graham Redmonds office, the two instantly clash. The same cant be said for the widowers daughter. They quickly form a bond when Lucy begins teaching the little girl to dance. Graham soon realizes how good Lucy is for his daughter and for him. Yet his late wifes parents dont agree. Their ultimatum to choose between them or Lucy fills Graham with despair. He cant let his daughter lose her grandparents but he also cant lose the woman who could complete their family.
