

Stone Chosen Vols 1-3: Realmwalkers Book 1

Annie is excited to start a new job in a new place. Unfortunately, things aren't what they seem and Annie is pulled into the world of the fae, a world of magic and intrigue she never knew existed. Mystically matched to a pair of fae warriors, Annie must navigate court politics, her newly discovered magic, and her growing attachment to her lovers in order to determine her fate. She has difficult choices to make - but her enemies at court are powerful, and they want to make those choices for her.
