

Galatians: An Expository Paraphrase

After a seven year in-depth study of the epistle to the Galatians, Mr. Gregory wrote an expository paraphrase of this New Testament book. Anyone who has studied this letter of the Apostle Paul, but still has unanswered questions about its meaning, will find this volume very helpful. As one reads the paraphrase and the expositions that are woven into the text, seemingly veiled verses--as well as the book as a whole--will open with new clarity and vitality.
