

The Vengeful Earl (Bewildering Love Series Book 2)

A VENGEFUL PLOT SET IN MOTION Throughout his life, Aiden Northwood, the Earl of Sinclair, was told by his mother that Lady Veronica Witley was responsible for taking away his fathers love. After the passing of his father, Aiden travels to London to right the wrongs of his past. A CHANCE WORTH TAKING Lydia Witley doesnt know what to make of the dashing handsome Aiden Northwood. The man blatantly jeopardizes her reputation with his obvious desire of her, and yet her resistance toward him is futile. Lydia knows with surety that they will marry and she awaits the earls proposal with growing impatience. When lies unfold turning existing love into travesty, can second chances and forgiveness be found? The Vengeful Earl is a historical romance set in the Regency Period during the Napoleonic Wars. It is book two in the Bewildering Love Series.
