

## Tomorrows Dreams (The Parrish Novels)

In nineteenth-century New York, a woman shattered by yesterdays love and a man torn by todays secrets flee from their luxurious lives and from each other but are destined to meet again in the untamed Colorado Territory... Can they mend their broken lives and fulfill tomorrows dreams? Self-made millionaire Seth Tyler has the world on a string. He is rich, powerful, and about to marry the woman he loves. Then he uncovers the horrible family secret that will destroy him and any chance for future happiness. Penelope Parrish is the toast of New York. The beautiful, sought-after opera singer has everything she desires, including the man of her dreams until the night their affair comes to a shattering end, leaving Penelope pregnant and alone. In the Colorado Territory, where she has reinvented herself as dance hall performer Lorelei Leroux in order to support herself and her toddler son, Penelope is shocked to discover that Seth is her new employer. As devastatingly attractive as ever, the man she vowed to hate forever is still the only one who can touch her heart. Against her will, Penelope is drawn back into Seths embrace, unaware that he has come west to orchestrate a long-awaited act of revenge that could cost him his life.
