

Adrianas Secrets (The Secrets of the Montebellis Book 2)

A contemporary suspense novel, *Adrianas Secrets*, Book Two in *The Secrets of the Montebellis Series*, travels back to Lisa Richardson's great-grandmother's time and fills in the exciting stories alluded to in Book One. Tragedy strikes the mountain town of Mont Castello, the home of Adriana Montebelli. Orphaned in 1888, Adriana's life is swept along at the whim of forceful men who decide where she will live and who she will marry. Instead of breaking her, their cruel deceptions toughen her resolve to take control. Though she rises to manage the vast Van Buren estate, she wonders if her broken heart will have the strength to love again. Follow Adriana in this historical novel as she navigates the challenges of woman's suffrage, union violence, and the tragic hardships of love and loss, while managing to cling to her faith.
