

The Essential Personnel Sourcebook (Essential Sourcebooks)

DID YOU KNOW : *84% of employees put job satisfaction as the No1 motivator
*89% of managers say they need more training * The average absence time for full time manual workers in 1995 was 7.6 days
* The average level of staff turnover is 11.5% There is only one place for researchers, HR managers, department managers and employees to find reliable up-to-date personnel data in one source: The Essential Personnel Sourcebook. It provides generic, not industry specific information, which will apply to you, whatever business you are in. This new edition has been completely updated and expanded to include advice and tips from the gurus and the key industry associations. Contributors include: ACAS, The Department for Education & Employment, The Equal Opportunities Commission, The Health & Safety Executive, Institute of Directors, The Institute of Employment Studies, The Institute of Personnel & Development and more.
