

Crimson Mercury Part 3: Exposition

Im married to Felix. Hes an alien; a very good looking alien. He and I fell in love after the aliens abducted me from my wedding to Jeremy. Felix has a brother whose name is Wolfgang who looks very much like him and was in love with me when I fell in love with Felix. Felix and I have a child whos a clone of him and his name is Amnon. So I have been told. I dont actually remember any of this and its just a bit disturbing. Crimson Mercury Part 3: Exposition is the third book in the series about the love triangle between Sid, Felix and his annoying brother Wolfgang. Look for book 4 fall of 2015
