

McIvers Mission (Mills & Boon Vintage Intrigue) (Silhouette Intimate Moments)

BULLETS. ARSON. BOMBS. SOMEONE WANTED HER DEAD. Arden Doherty had dedicated her career to protecting families, but now her own life was on the line. The driven attorney hadn't thought things could get any more dangerous until she wound up in bed with Shaun McIver. He was a colleague, a friend she couldn't afford anything more. Now Shaun was hell-bent on keeping Arden safe from the unknown danger that stalked her, no matter the risk. He promised she wouldn't get hurt, but it was no longer the physical danger that concerned Arden most. How could she keep sharing her body with this incredible man and keep her heart intact?
