

## Forever Young at Heart

Inspired by *Death Becomes Her* this 100% original shortstory tells the tale of romance. What would you pay for one night of youth? What would it be worth? So begins the story of Charlotte Winters. After losing her husband of nearly forty years, Charlotte loses all pleasure in life. In a foolish, desperate move, she seeks the help of a naturopathic doctor, who then sends to her a mysterious man from the forests of South America who professed to have a potion called the One Night that will give her one night of youth. Taking the deal, she finds in only moments that she is transformed to her young self. Now she has the night to do anything she wants. She goes out on the town and meets Lawrence, a sexy and charming man who is more than happy to show her a good time. But what will happen when the sun rises and Cinderella is an old woman once again?
