

The Schoolmasters Daughter (Soundings/7 Audio Cassettes)

It had been three years since Evan left, and Truda thought she had forgotten him. But she could never forget Charlotte, the hauntingly beautiful girl who took him from her, for Charlotte was Truda's sister. But that was all in the past, a memory softened by time and tears. Then, one day, Charlotte came home... Was Truda strong enough now to cope with the sister who took what she wanted - no matter who got hurt? And what about Evan? Had she really gotten over him - or were there embers still smouldering under the cold ashes of a lost love?
