

## Me...and My Sisters Wedding (Jillian Christie Book 2)

My name is Jillian Christie and up until now, I thought I had a normal life. Turns out that's not the case. I seem to be dating an ex-con with criminal ties to every mobster in Chicago. Now a vicious killer has his sights set on Dominic and I'm the only one that can help him. Well, me and Dominic's estranged best friend, who is not a nice guy. Nothing seems to be going right, starting with my sisters snub of me as a bridesmaid, bombs going off, shootings, my forced vacation, car accidents and babies being born. I've got to figure out who's trying to kill Dominic before the murderer offs me, too!
