

Introducing Human Resource Management (Longman Modular Texts in Business and Economics)

This is an accessible and lively introduction to the human resource management, focusing on the frameworks of people management strategies, and covering the basic operational areas and practices of HRM. The sixth edition continues to explore ideas and themes in an engaging style with reference to real-life examples, and offers student-friendly features and activities. This edition includes new coverage of well-being, equality and diversity, and offers a greater international perspective throughout. It is aimed at students taking an HRM option on a Business Degree, or those studying for an HND, Foundation Degree or CIPD qualification.
