

Living On Purpose: Daily Affirmations

Living On Purpose This book contains some of the most powerful affirmations that Ive come across in my life-time. However, getting closer to God will not be guaranteed just by knowing these prayers. However, these prayers do have the ability to change you forever, if you use them correctly. If you can grasp these prayers and pray with an earnest heart, with a clear mind, and clear intentions, then you will experience a rapid growth. Remember, talking with God will never leave you unchanged. Just by being in his presence will leave a lasting mark on you. By following the following steps you will see a drastic change in your relationship with God: 1.) Read over the prayers in this book and take them to heart. 2.)Try a prayer every day with the truest of intentions. 3.)Open your heart, mind, and soul to God. 4.)Look over each and every prayer and feel the essence that God is trying to teach you. 5.)Remember that God is always there for you. 6.)No matter who you are, where you are from, what you have done, God is there listening. 7.)Do not ever lose faith. 8.)God rewards all of those who believe in Him.
