

Bringing Racism Back: The Resurgence of Racism In America

Lets face it, were all a little bit racist. However, the racism card is being pulled around every corner here, in America. Like a lot of words that used to have meaning, the word racism is being over used like an old shop towel. We are being bombarded by the media and government about what is racist and what is politically correct without recognition of how Americans really feel. Its time we flipped the script and embrace racism in a way that makes us all come together instead of breeding hate and anger.
