

PAYBACK TIME!: Americas Veterans Unite to Challenge VA for Overdue Benefits

Author Earl Dusty Trimmer was a Combat Infantryman in the Vietnam War. This Vietnam War Veterans reason for writing his memoir is to bring awareness to Vietnam War veterans wounded in action (WIA), killed in action (KIA), missing in action (MIA), the plight of those veterans who are still living or those who have lost their battles to survive after coming home, and those war veterans struggling to live another day. Written from the heart and experiences of a combat infantry soldier in the Vietnam War, *Condemned Property?* takes a raw look at the Vietnam War and Vietnam War veterans. Author Dusty Trimmer believes the Vietnam Wars biggest battle wasnt fought in Southeast Asia, but is currently being waged against the Department of Veterans Affairs in the United States. Author Dusty Trimmers purpose of this book is to expose the systems mistreatment of Vietnam War Veterans. War is hell. Every war battle is bad for who is in it. The Vietnam War was a twilight zone. Author Earl Dusty Trimmer was a Combat Infantryman in the Vietnam War. In *PAYBACK TIME!* he hopes to elevate awareness of the Vietnam War Veterans wounded in action (WIA), killed in action (KIA) and missing in action (MIA). The author uncovers with raw honesty, the plight of the Veterans still living as well as those who lost their battle to survive after coming home. Dusty believes that the Vietnam Wars biggest battle wasnt fought in Southeast Asia, but is currently being waged against the Department of Veterans Affairs. While Trimmers previous book, *Condemned Property?*, offered a shocking expose of the VA systems mistreatment of Vietnam War Veterans, *PAYBACK TIME!* continues to expose the VA systems neglect of Vietnam War Veterans and describes how many of them, although weary and discouraged, are once again fighting back with renewed energy for the healthcare and benefits they

so deservedly earned.
